NOTICE OF AVAILABILITY OF FINAL SUPPLEMENTAL ENVIRONMENTAL IMPACT STATEMENT

Purpose of this Notice: The purpose of this notice is to inform the public that the Final Supplemental Environmental Impact Statement (FSEIS) for the Kalama Manufacturing and Marine Export Facility is being released.

Description of Proposal: Northwest Innovation Works, LLC - Kalama (NWIW) proposes to develop and operate a natural gas-to-methanol production plant and storage facilities on approximately 90 acres in the Port of Kalama (Port). The project objective is the manufacture of methanol for export to destination ports, primarily in Asia where it will be converted to olefins which are a feedstock for use in fabrics, plastics, and other manufactured products. Natural gas will be delivered to the methanol plant via a proposed new transmission pipeline lateral. Northwest Pipeline GP will be responsible for obtaining permits for and constructing this pipeline, extending from its existing pipeline approximately three miles through unincorporated Cowlitz County and the City of Kalama. Methanol will be transferred by pipeline across Port property from the storage area to a deep draft marine terminal on the Columbia River including a new dock and new berth created by dredging.

Proponent: Northwest Innovation Works LLC and the Port of Kalama.

Location of the Proposal: The project would be located at 888 Tradewinds Road, Kalama, WA on land leased from the Port. The site is located on the Columbia River in unincorporated Cowlitz County. The site was originally addressed as 222 West Kalama River Road (as noted in the Draft Supplemental EIS). Cowlitz County has updated the address, but the project location has not changed.

State Environmental Policy Act (SEPA) Co-Lead Agencies: The Port of Kalama and Cowlitz County are co-lead agencies. The Port is the nominal lead, responsible for complying with the SEPA lead agency duties for the SEPA review process.

Date of Final EIS Publication: August 30, 2019

Availability of Final Supplemental EIS copies: The Final Supplemental EIS is available for viewing and downloading at <http://kalamamfgfacilitysepa.com> and copies of the document are also available for review at the following locations:

Port of Kalama Administrative Office: 110 W. Marine Drive, Kalama, WA

Cowlitz County Department of Building & Planning: 207 4th Avenue N., Suite 119, Kelso, WA

Kalama Public Library: 312 North First, Kalama, WA 98625

Longview Public Library: 1600 Louisiana Street, Longview, WA

Kelso Public Library: 351 Three Rivers Drive, Kelso, WA
